SETTribе believes that scholars are respected all over the world. We are providing platform for tribal students to showcase their skill sets.

Terms & Conditions:

1. Hosting & Training :

As it is web based application you can use this application within and outside your school / college premise on any computer by using URL. Complete training will be given to your staff on your site. It is advisable that your staff must give time to our team on priority for completion of training. Sample data will be entered by your staff at the time of training. Once the training is completed, application will be handed over to you for your work and further utilization of software is responsibility of your college authorities.

2. Hardware Requirement :

Latest Computer with Internet access, Ink Jet / Laser Printer, Updated Antivirus.

3. Maintenance:

One year On-line Support. After one year comes under AMC
(Proposal for next year will be given separately.)

4. Payment: 50% before development starts & 50% at the time of Deployment / training.

5. Payment Refund: Payment once done will not be refunded in any circumstances.

6. Payment Type: Payment should be done in below mentioned account only. No cash transactions are recommended.

7. Other Terms & Conditions: This software is developed & Maintained by SETTribе IT Solutions so any piracy may lead to legal action from company.

8. Customization & Up gradations: charges applicable for College Specific Customization or after deployment any changes or up gradations.

9. UPS, Internet, Licensed Software and Data Backup: For better software performance Licensed Antivirus should be installed on your computer and high internet connectivity is recommended. Connect UPS to your computer to prevent data lost due to electricity problem. Weekly data backup will be taken by us whereas daily data backup is also included in your plan.

SETTribе believes that scholars are respected all over the world. We are providing platform for tribal students to showcase their skill sets.

Terms & Conditions:

1. Hosting & Training :

As it is web based application you can use this application within and outside your school / college premise on any computer by using URL. Complete training will be given to your staff on your site. It is advisable that your staff must give time to our team on priority for completion of training. Sample data will be entered by your staff at the time of training. Once the training is completed, application will be handed over to you for your work and further utilization of software is responsibility of your college authorities.

2. Hardware Requirement :

Latest Computer with Internet access, Ink Jet / Laser Printer, Updated Antivirus.

3. Maintenance:

One year On-line Support. After one year comes under AMC
(Proposal for next year will be given separately.)

4. Payment: 50% before development starts & 50% at the time of Deployment / training.

5. Payment Refund: Payment once done will not be refunded in any circumstances.

6. Payment Type: Payment should be done in below mentioned account only. No cash transactions are recommended.

7. Other Terms & Conditions: This software is developed & Maintained by SETTribes IT Solutions so any piracy may lead to legal action from company.

8. Customization & Up gradations: charges applicable for College Specific Customization or after deployment any changes or up gradations.

9. UPS, Internet, Licensed Software and Data Backup: For better software performance Licensed Antivirus should be installed on your computer and high internet connectivity is recommended. Connect UPS to your computer to prevent data lost due to electricity problem. Weekly data backup will be taken by us whereas daily data backup is also included in your plan.
