### Action Taken Report 2022-2023

Feedback committee collected four types of feedbacks from stakeholders that are, Students, Teachers, Alumni and Parents. After collection of feedback forms, feedback committee analyzed feedback under the supervision of IQAC Committee and principal of the college. Students are satisfied with the facilities and syllabus provided by college. But some suggestions were received from students like.

- To increase science research journals and science magazines in library.
- Drinking water facility should be available in science wing.
- Exam should be Multiple Choice based.
- Syllabus should be job oriented.

We have discussed these suggestions in IQAC Meetings in presence of Principal of the college and following actions has been taken.

- As per suggestions number of research journals has been increased in library.
- Drinking water facility has been made available in science wing.
- As college is affiliated to Swami Ramanand Teerth Marathwada University, college has no authority to make changes in curriculum and examination pattern but students suggestions were discussed in IQAC Meeting with principal and IQAC committee and they instructed the teachers to communicate those suggestions with BOS of that particular subject.
